

Camp Info

Pro Soccer Camps and DPSoccer Academy are pleased to announce the Bolton Wanderers International Player ID Camp. Bolton Wanderers Football Club, of the English Premiership, will be running the week long residential and commuter camp open to players 8 –18 throughout Canada and the U.S.A. This Elite Player ID Camp running July 18-22, 2010 will provide Bolton's International Academy Staff the opportunity to access the technical, tactical and overall fitness levels of North American players.

The camp will give players the opportunity to work with world-class Bolton Wanderers' coaches. At the end of the week the coaches will select 3 players who will be eligible to travel to England in November and participate in the 5 day/4 night Grand Skills Final.

During the Grand Skills Final players will be assessed by Bolton Wanderers coaches and scouts from various English Premier League clubs.

Bolton Wanderers International Academy is committed to helping young footballers raise their technical, physical, mental and tactical skills to the highest possible standards by providing an enjoyable, exciting and stimulating environment. We also strive to develop the players' sense of self-esteem, motivation and desire to learn via coaching and education.

Bolton Coaching Philosophy

Bolton Wanderers' International Academy Coaches are highly qualified F.A. Coaches, trained in the latest pioneering coaching techniques used by Bolton's first team and throughout their Youth Academy.

Bolton coaches are experts in talent identification, developing technical ability and team tactical play. We combine knowledge of the game with child development through fun-filled technical sessions that create a positive safe healthy learning environment.

Not only are professional club coaches important in the development of the player, at Bolton Wanderers' International Academy we also use our advancement in sports science the first team use.

We offer:

- Sports Psychologists who deliver a series of sessions taken from the first team delivery, that will include, personal profiles, self talk, imagery etc.
- Football specific conditioning coaches, expert in the field of instruction in physically conditioning players, who will fitness test them and measure their scores against our very own Academy players
- Diet and nutrition seminars
- Match analysis/video seminars

Bolton Wanderers constantly strive to deliver the best coaching program possible by investing in quality coaches and the development of staff who are committed in the delivery of excellence.

Camp Location

The camp will be conducted at Bethany College located in Bethany, West Virginia. Bethany is a small, rural community in the northern panhandle of the state, 15 miles from Wheeling, 50 miles southwest of Pittsburgh, PA and 65 miles east of Cambridge, OH.

Camp Facilities

Bethany College has one of the best collegiate soccer complexes in the Eastern United States featuring six soccer fields including the legendary Hoag Field, the host site for numerous NCAA tournament matches, Bison Stadium with turf field and lights for night games and four top notch training fields. The multi-million dollar athletic complex houses fitness facilities, an indoor swimming pool and courts available for campers.

Campers will be housed in secure, air-conditioned dormitories with coaching supervision. Security is on duty 24 hours a day. Meals are served in the air conditioned Benedum Commons Dining Hall located in the center of campus.
